

Hopetoun Primary School Excursion Consent Form 2022

Visits to local sporting and community services within walking distance of the Hopetoun Primary School.

Class	Whole School (K-6)
Dates	Academic Year
Transport	Walking

Forward: During the school year, excursions within walking distance of the school are organised by most Year Groups. This form will allow your child/children to attend the events without signing individual consent forms for every trip. Staff will inform parents of the planned events in a range of forums. If you have any questions concerning up-coming events occurring in your child/children's Year Group please contact their teacher.

Parents/Guardians: Parents, guardians and community members are welcome to attend any of these excursions. Please contact the teacher in charge if you are interested.

Please Note: Students who have not returned a consent form will not be allowed to participate in these excursions. An individual form must be completed for each child - no whole family forms.

Kieran Moore
Principal

Re: Visits to Local Sporting & Community Services Parent/Guardian Consent

I give consent for my child _____ to attend these excursions.
(please print)

I understand the nature of the activities proposed and give staff permission to consent to any emergency medical treatment considered necessary. I am also aware that normal school rules apply and the Education Department insurance does not cover personal accidents through misadventure nor the loss or damage of personal belongings.

Special Comments/Requirements:

Parent/Guardian Signature: _____ Date: _____
