Dear Parents, Guardians and Community Members

Last Wednesday our Year 5/7/6 students attended the Lake King Skills and Drills. They had a great time learning new skills in touch football, AFL, gymnastics, netball and soccer. Thank you to Lisa Nike and Leisha White for volunteering their time and supporting the students and to Mr Mann, Miss Cockram, Mrs Jones for their supervision and encouragement.

On Friday the 20 June we will be having a Disco for Hopetoun PS Students. This will be run by the P&C to raise money for our Nature Playground. Students are encouraged to Dress as their favourite Rock Star. Please complete forms attached to the newsletter to indicate if you child/ren will be attending and if you are able to help.

Thank you to First Quantum Minerals Pty Ltd for their generous donation of Beanies for all participants of Canberra Camp, and for sponsoring our Canberra Camp Jackets. We appreciate your support for our students. We only have two weeks until our Year 5/6/7 students attend Canberra Camp 2014. Students are very excited to be part of this opportunity and have been busy researching the places they will be visiting. Our next Canberra Camp will be in 2016 with our students who are now in Years 3 and 4 will be attending the camp as Year 5 and 6 students. We will have a camp meeting at the beginning of 2015 for these students to start preparations for fundraising.

When students produce good work in class they have the opportunity to come to the office to show myself or Mrs Wearie. They are presented with a certificate, prize and their name’s are put in the Good Book. Each week we have a number of students visit for the Good Book and I am always proud of the efforts of our students. The following page has photos of students who have visited this fortnight. Well done to you all.

Thank you to Noelle Young for planting two trees at our school in memory of her late husband John. We are honoured that Noelle chose our school site for this special memorial, we look forward to seeing these trees grow and be part of our school garden.

I would also like to thank Linda Bower for donating a number of yellow kangaroo paws for our front garden, they will look lovely with the red we already have and help brighten our garden.

Our focus this week for KidsMatter is supporting students to make friendships and solving friendship problems. Please see the attached flyer for strategies you can use at home.

Kind regards,

Gemma Larham, Principal
